## Who is Texapinay?

Texapinay is a brand that represents the Filipino American community in Texas. We strive to build a multiculturally competent and inclusive place of belonging that offers an empowered platform for the **historically underrepresented.**

## Joanna is a #FempoweredFilipina

She was recently diagnosed with **triple negative breast cancer** in June, she spends most of her time overcoming the disease and hanging out with her family. Joanna hopes to continue spreading the love and pride she has for her Filipino heritage; the same pride her father held dear until his last breath.

## How Can You Help?

Help Joanna and Texapinay support the cause! With every purchase of a Texapinay product, **10% of the proceeds** go towards the organization. You can also help support Texapinay with additional expenses.

It takes a village to start a business, help Texapinay to bring awareness to the underrepresented.
